

## DALI PWM Dimmer 4 kanaals

| Referentie | DAREC                         |
|------------|-------------------------------|
| Afmetingen | 46 x 178 x 18 mm              |
| Input      | 12 - 24 Vdc                   |
| Output     | 4 x 5A constant voltage<br>CA |
|            | 4 x 60W (12V)                 |
|            | 4 x 120W (24V)                |
